

JW ANDERSON COLOURBLOCK PATCHWORK CARDIGAN / KNIT PATTERN

## INFORMATION

This striking patchwork cardigan will introduce a relative newcomer to various hand knitting stitches; from simple Garter Stitch, through lovely textured Moss stitches to a Colour Stranded technique featuring a Hounds Tooth pattern.

It's knitted in manageable pieces, which are then sewn together, which makes it a great project for a knit in the park.

## OVERVIEW

All stitch patterns are worked over 18sts. At the beginning of a panel cast on 18sts. When the square measures 14cm in length, follow the charts for the next stitch pattern to form panel. There is some simple shoulder and neck shaping at the top of the panels for the Back and Fronts. The panels are then sewn together to create the garment pieces.

NB. Leave 8cm tails throughout when you cast on and change colour. Do not darn but follow instructions in the To Make Up section to form small tassels.
